SUBJECT

Request Board approval for the Sheriff, as an agent for the Los Angeles County Sheriff's Department (Department), to sign and accept a grant award in the amount of \$65,301 from the University of California Berkeley, Traffic Safety Center (TSC), for the purpose of conducting a maximum of seven sobriety checkpoints within the Palmdale Sheriff's Station service area.

IT IS RECOMMENDED THAT YOUR BOARD:

A Tradition of Service

PURPOSE /JUSTIFICATION OF RECOMMENDED ACTION

On October 29, 2008, the Department submitted an application in response to the TSC Sobriety Checkpoint Mini-Grant program solicitation. On November 4, 2008, TSC notified the Department of our grant fund allocation. As a recipient of this award, the Department will receive \$65,301 in Federal funds with no local match requirement.

Palmdale Sheriff's Station will conduct sobriety checkpoints identified by the National Highway Traffic Safety Administration (NHTSA) during the Winter Holiday and Labor Day Mobilization. The Winter Holiday Mobilization period is December 12, 2008, through January 3, 2009, and the Labor Day Mobilization period is August 21, 2009, through September 7, 2009. In addition, Palmdale Sheriff's Station personnel will conduct a maximum of five sobriety checkpoints in the months outside the mobilization periods.

The objective of the TSC Sobriety Checkpoint Program is to reduce the number of victims killed and injured in alcohol-involved crashes. To successfully achieve this objective, the Department will use the grant funds for overtime to conduct sobriety checkpoint operations at more than one location on any evening throughout the jurisdiction of Palmdale Sheriff's Station.

Implementation of Strategic Plan Goals

Approval of the recommended actions is consistent with the Los Angeles County Strategic Plan, Goal 1, Service Excellence; Goal 5, Children and Families' Well-being; and Goal 8, Public Safety by reducing the number of victims killed or injured in alcohol-related accidents.

FISCAL IMPACT/FINANCING

An Appropriation Adjustment in the amount of \$65,000 is requested to augment the Department's Patrol Budget Unit's Fiscal Year 2008-09. This amount will be fully offset by grant funds.

This program is for 12 months beginning on October 1, 2008, and ending on September 8, 2009. Funds provided by TSC will be used for overtime to conduct up to seven sobriety checkpoints.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

After December 19, 2008, the program requires the Department to issue a press release announcing the kick-off of this grant. In addition, Palmdale Sheriff's Station must develop and distribute to the local media a press release for each checkpoint

operation and submit copies of all newspaper articles and short descriptions of broadcast news stories that relate to checkpoint operations or its results to TSC.

This Board letter has been reviewed by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The Department has made contact with each of the County justice departments. Only the Public Defender's office has indicated that impact on their services will be minimal.

This grant funding will have a positive impact on current services by reducing the number of injuries or deaths of victims caused by alcohol related accidents.

CONCLUSION

Upon your Board approval, please instruct the Executive Office to return two copies of the adopted Board letter to the Sheriff Department's Grants Unit.

Sincerely,
